

Dear Friends of Historic Roads,

We would like to invite you to partner with us on a 3 day event that promises to be a magical time of education, enlightenment, and networking with some of the top historic road professionals at the Biennial American Road Foundation Conference.

Plans have begun taking shape for the conference which will take place in Joliet, Illinois from Tuesday, September 21, 2010 to Thursday, September 23, 2010. The conference will be held at the Renaissance Center in historic downtown Joliet.

Our conference will be featuring a variety of educational sessions including: “Building Collaboration/Partnerships with Private and Public Entities toward a Common Goal”, “Creating a Unified Alliance along a Linear Multi-State Route”, and “Social Networking”. Networking opportunities include hands-on voluntourism projects to participate in and learn how you might bring a voluntourism project to life along your historic road, a networking reception at a fabulous historic mansion, and an exhibitor area to learn about new products and opportunities available to help you meet the challenges of today and tomorrow.

We would be delighted to have you partner with us for the American Road Foundation Conference. Included is a list of partnership opportunities available this year. Please review and let us know which you are interested in. Please give us a call at 877-285-5434 x4 or an email at: smartin@americanroadmagazine.com.

We hope you will join us this fall in Joliet and we look forward to hearing from you.

Thank you,

Sheila Martin, Conference Coordinator
American Road Foundation
Regional Office: 8 Rock Hill Court, Edwardsville, IL 62025
